September 12th Meeting

The program for Monday evening, Sept. 12th, will be "Show & Tell". If you have any artwork or projects you have been working on over the summer, please bring it and share with the rest of the group. Maybe you have an idea for an up coming project, we would like to hear about it.

Also, we will be looking for ideas and suggestions, for a theme for next year's art show at the new Sandy Library. The remodel is scheduled to be completed by this spring, with the show sometime between April and June.

There's A New Model In Town...

Sandy Oregon has been known to have colorful characters in its history, meet Joe The Hobo, the latest addition to that cast!

Passers by got quite a kick out of seeing our member, Joe Brockway posing for this photo shoot in front of the Beer Den. Joe, in this great hobo costume, got into character very easily for his modeling gig. The photographer, Rod Stroh entered this photo titled, "A Ray Of Hope" into the *Lift Me Up!* show, capturing Joe's expression perfectly.
