Menagerie Art Show Info

Our next art show at the Sandy Actors Theatre will feature people, animals and collections of items...a real menagerie of a show! Please let Becky Hawley know, as soon as possible, if you are interested in entering your work into the show. The deadline for submissions (tag information) is March 27. The art should be delivered no later than April 2, by 10am for the hanging.

On April 5 at 6:45 the art show opens with an artist tour of the work. No admission is charged, all donations to benefit our Guild and its community projects.

Bio Book...!

WAG has a bio book we display at our shows. If you don't have a bio in the book, or want to update yours, please bring it to the next meetings or include it with your artworks submission.

Letter from the editor...

Your new members roster is available at the meetings. In each monthly newsletter, please refer to the "Membership News..." section, where additions or changes to the roster will appear. As we add new members, or as old members return, their information will be provided. The roster has plenty of space in back to write in the new information....let's try to fill it up!

Something To Ponder...

One of the advantages of belonging to a group, a club or a guild, is the ability to network and exchange ideas with other like minded people.

Our Guild has a variety of artists with a wide assortment of interests and experience, from whom to draw information, inspiration and friendship.

One way to keep our guild vibrant, is to keep an eye out for potential new members; new people can bring new life to the group.

Talk to people about the activities we enjoy throughout the year. *See the Mountain through Artists Eyes*, workshops, *Art Day* gatherings and our interesting speakers may just entice them to join us! Invite folks to a meeting and to our art shows... who knows, they may be inspired to contribute their talents to our guild.

Upcoming Events.....!

May 4-6 The huge show at the Convention Center for potters, ceramics, beads, weavers-fiber, metal arts, woodworkers and glass artists.
