See Waterfalls Through Artists Eyes...

This years walk will be in the Columbia Gorge on Sunday, August 19th

Our plan is to hike from the parking lot at Horsetail Falls on Historic Hwy. 30, up the 4/10's mile trail to Ponytail Falls. After photographing and enjoying the falls here we continue on toward Oneonta Falls and then down to Hwy. 30 and a 1/2 mile walk back to the cars.

The overall trip is about 2.5 miles from the cars back to the cars and an elevation gain of 610 feet. We will be taking it easy and resting as often needed.

Let's carpool from the Civic Plaza fountain, in Sandy, at 9am. Others may meet us at the Horsetail Scenic Area parking lot. You will know you are there by the sign and the falls right by the hwy. There are two picnic tables east of the falls, where we will meet and set off at 10am.

Felting Workshop...

"We had a lovely time felting on top of silk scarves on June 30th," said Kathrine de Vries the workshop leader.

Wendy Gilbert, Cheryl Hooley and Connie Otto participated. After they were fully felted, the ladies dyed the silk.

Donations from the workshop benefit the Solace in Silk program.
