## New President!

A meeting of members present was held before the launching of the new library art show ("Music at the Coffeehouse"), for the voting of a new president. The decision was unanimous: Claire Harrison is our new president! Welcome Claire!

## April Showers Bring New Members!

Let's welcome some more new members this month; Vernon and Kathleen Groff. Verne is a watercolor painter and both him and Kathleen make and sell whimsical original ceramics under the name of Terra Ridge Ceramics. They used to participate at Sandy Mt. Days but now are mostly showing at the Mt. Angel Oktoberfest and the Expo Christmas Bazaar.

## Library show: pick up times

The "Music at the Coffeehouse" show will be taken down the evening of May 5 starting at 5 pm. If people want their piece ASAP, they can be there just before the library closes on Sunday and leave with their piece once it is taken down. Works MAY NOT be taken any earlier than closing on Sunday. Otherwise, work may be picked up Monday AM and the next two days, during our open hours (May 6-7, M-W 10-7 pm). The art will be locked in the library workroom, and artists will have to get a staff member to open the room for them.

## Upcoming Meetings

Friends and family are welcome to come so share the fun! And remember, there will be a nice door prize at each meeting!

March 11, 6:30 pm

Our own fine water colorist, Edna Kennel, demonstrates how to use gold leaf to add sparkle and new life to your art work.

April 8, 6:30 pm

Beth Verheyden, well respected water color instructor, gets back to basics for all media, discussing critical elements and principals of design important in creating all subjects. She will offer fresh insights into how to make your art more enjoyable.

May 13, 6:30 pm

C. Lesley Lent, from Damascus, demonstrates

how to create incised pottery with multi colors to tell stories of the seasons. She will bring her pottery and explain how and where she gets inspirations for her designs.

The Mystery art show at the Sandy Actors Theatre opened to an appreciative audience. Several of the participating artists were on hand to explain their works and reveal the mystery behind them.
