Victorian Secrets art show

A Guild is a support system. Support our events and our members.

Victorian Secrets opens on September 11 at 6:30pm in the lobby of the Sandy Actors Theatre. The artists talk about their work at 7pm and then everyone is invited to see the play, *The Importance of Being Earnest*. (No admission is charged, all donations go to support our public programs.)

The art explores how Victorians shared their secrets.

One way to share their hopes and secrets, was through the "language of flowers." Each flower had a significant meaning, so a bouquet could tell a story. It was a time when family and friends gathered in the home to play music; singing and playing instruments bonded them together. The industrial revolution was underway and the public schools helped open young minds to a wider world; a world of poetry, literature and possibilities.

Please share our *Victorian Secrets* and *The Importance Of Being Earnest* ...
