WANTED:

SAT Featured Artists

If you are interested in being a featured artist for one of the plays let Marcia Morrow know. If you were a featured artist this last year you would be considered "if" no one is interested.

Featured Artist PR Requirements:

*Featured Artist should be prepared to enter 3 to 5 artworks into the show. (Tag info is due at least a week before each show.)

*Featured Artist must attend the art reception, held on the Thursday before the play opens.

*Send photos of at least 2 artworks by the PR deadline for each show. These artworks must be entered into the show. (min. 1MB size)

*Optional...A photo of you, at an art event or, at the easel, for publicity

*We need material about your work; inspiration, technique, your history, community activities, or anything readers might find interesting. You can write some of this in a short 'artist statement' and you will be contacted for an additional interview.

Member News

Rod Stroh will be mentoring a group of PSA members (Photographic Society of America) on Astral Photography at Crater Lake. **Astral photography** is perhaps the most difficult style of picture taking to master, requiring a great deal of patience and trial and error to get good results. But with the right settings, it's easy to capture all sorts of objects in the night sky, from meteors to satellites, and even the Milky Way. Rod will be guiding people on the technical steps to capture the Milky Way on the rim of Crater Lake. Last year he shot the Milky Way at Fort Rock...photo at right.

Aug 21 Acrylic Pour Demo

Several members have asked about the paintings Becky Hawley has shown in the past 3 shows and have expressed an interest in the process, called **Acrylic Pour**.

Acrylic pour consists of using several paint additives (nothing expensive, or hard to get), several methods to choose from and it can be done on canvas, board, or any horizontal, paint-able surface. Multi-media paper makes interesting cards.

Pam Smithsted introduced Becky to this wild and crazy painting method that relies on serendipity; having a plan that you're willing to change and a personality that allows you to go with the flow. Becky starts each painting with an experimental attitude and old clothes...it's very messy.

You are invited to a demonstration, at Becky's home on **August 21, 10 am**. There'll be a canopy outdoors. Wear old paint clothes, whether or not you intend to paint, as it can get wild! Bring a lunch, if you wish. Pam and Becky will demonstrate, and there will be a piece of multi-media paper for anyone who would like to make an experimental piece.

Please RSVP with Becky Hawley...For members and prospective members only!
