CELEBRATING THE CREATIVE ACT.

## October 2018 Newsletter

### ROCKTOBER

**Friday, October 5, Sandy Public Library**

From 6 to 8 pm we'll have rocks for sale for donation to raise money for Youth Art Class, and rock painting in the community room. If you have painted rocks you'd like to contribute to the fundraiser, call for pick-up (971-645-2900), or drop off at the Library Thursday afternoon between 3:30 and 5:30 in the community room. Thank you to those who've volunteered to help on Friday! Even if you haven't officially volunteered, feel free to show up if you're able and lend a hand.

### Good Times

On October 25, Wy'East Artisans Guild invites the public to a reception celebrating the opening of **Good Times**, an art exhibit in the lobby of Sandy Actors Theatre. Doors open at 6:45pm, artists talk at 7PM. Participating Guild artists depict good times; dancing, hot air balloons, bike riding, travel, friends, family and more, through their chosen medium and in their own style. The Guild's youngest artist and Featured Artist for the show is, Micaiah Meyer. Micaiah credits her experience of growing up in the foothills of Mt. Hood for her love of the outdoors and recreational sports, as well as her interest in capturing action in her paintings. Micaiah attends Masters School of Art and has won awards for her work. Reception attendees are invited to see a full dress-rehearsal

performance of the play, "Over the River and Through the Woods." Seating is on a first come basis. All donations support the Guild's public arts programs. The exhibit hangs for the duration of the play, October 25 through November 18 and may be viewed during theater hours. The theater is located at 39181 Pioneer Blvd., in Sandy behind the ACE Hardware. Play info at: [www.sandyactorstheatre.org](http://www.sandyactorstheatre.org)

**More about the artist...**While depicting a variety of subjects, Micaiah's work stays consistent through her captivating compositions, which gives the viewer the freedom to explore the artwork. Micaiah describes her work, "I like to paint things that have a potential to mean more than what it first seems. I show a glimpse of a story through my artwork – not the whole story, but small hints so that different people will connect in different ways." The artist's favorite mediums are pastels and watercolor. She explains, "I love the layering aspect of pastels, seeing the painting come together as I apply finer and finer pigments onto it. Also, the medium is similar to chalk, so I enjoy getting my hands dirty and finger-painting." Art email
