**Secretary Notes:** - Show and tell - Becky gave us a preview concept of a Sandy Public Art project and invited us to the public meetings in February. Helen showed her recent painting of Mt Hood and asked for critique. Melody asked for suggestions to repair an overly enthusiastic cut out. Jennifer reported on the Clackamas County Art Alliance CCAA Sandy Library show, "What I've Read" deadline is February 20th for your submissions, the show displays March 5th, 8 am with the reception May 1 from 6 pm-8 pm. See her for requirements and information needed to display your work. Program - January 17th meeting brought Greg Lewis back to demo pencil drawings. Starting with the basics and a color wheel, he lead us through the seven ways to blend colors and the qualities (14) of your work and what judges are looking for in your piece. His recommendations are to keep pencils sharp; lay down dark colors first, keep you reference close, contrast details in the foreground and crop for effect. **Meeting attendance 14, adjourned at 8:15 pm.**

**Respectfully submitted**

*Kim Nelson, Secretary*
